

CAMBRIDGE
MEDICAL CENTRE

presents

SUMMER CAMP 2021

Enhance your child's cognitive, social and communication skills through play-based activities.

Utilizing sensory integration and creativity, the activities intend to build on these essential skills in a fun and engaging manner. Through interaction, the camp addresses your child's social and emotional quotient, which are vital aspects of a child in today's world. Incorporating play in our multidisciplinary approach, this summer camp focusses on your child's overall development.

When? July 4th to August 19th, 2021.

For who? 5 to 8 year olds & 9 to 11 year olds.

How long? 3 hours for 3 days per week.

Where? Cambridge Medical Centre
Unit 303, Building 47, Dubai Healthcare City.
